More about Il Salviatino:

Opened in 2010, Il Salviatino is a restored Renaissance villa nestled on the hillside of Fiesole in a park-like setting with panoramic views of Florence, just 12 minutes away. The villa has been painstakingly and lovingly restored and converted into a 47 room property with gourmet Tuscan cuisine, a Thai Spa, outdoor pool, complimentary shuttle to the city center, and a dedicated service ambassador for every guest. Surrounded by an idyllic 12-acre park, there is not a more ideal location in all of Florence, as the villa enjoys the charm of Fiesole while giving the feeling of being lost in the purest Tuscan countryside.
