

IL SALVIATINO

Suite Upgrade Offer

- **At the cost of a Junior Suite, receive an upgrade at no extra cost to one of the hotel's most prestigious suites, available at the time of the booking.**
- **In addition, all Guest bookings made from the Junior Suite Category and above shall have a complimentary half board package for two included.**

Unlike traditional half board packages, the Dine Around package offers a meal (lunch or dinner can be freely chosen daily) which guests can decide to enjoy in any of the wonderful restaurants on site or at some of Florence's most renowned and popular restaurants. This is just another example of the "freedom is luxury" philosophy at Il Salviatino.
