KURTZ-AHLERS & ASSOCIATES LAUNCHES FREE IPHONE AND IPAD APP ON APP STORE

San Juan Capistrano, Calif., August 16, 2010 – Kurtz-Ahlers & Associates announced today that the “Kurtz-Ahlers & Associates Destinations App” is now available on the App Store. The new application for the iPhone, iPad and iPod touch provides users with access to the company’s portfolio of worldwide, luxury travel destinations.

Kurtz-Ahlers & Associates provides sales and marketing services to exceptional hotels, yachts and destinations worldwide, including more than 40 properties in over 20 countries. The luxury hospitality clientele includes yachts, destination spas, beach resorts, boutique villa resorts, wellness retreats, city hotels and active travel destinations.

The App is available as a free download from the App Store and provides detailed information about the agency’s portfolio of clients, as well as photos, maps and contact information.

“The App will be a useful tool for travel agents and industry professionals, as a ‘walking directory’ of for any of our properties, without having paper in hand,” said JoAnn Kurtz-Ahlers, the company’s founder and president. “It is also a quick and easy way to learn about any number of the destinations and clients we represent, in order to help your clients enjoy the best vacation possible.”

Kurtz-Ahlers & Associates prides itself on representing properties that give back to their local environment and create a unique – and often cultural – experience for guests. As such, the clients featured on the App range from destination specialists and wellness retreats to a true Western ranch in Montana. Kurtz-Ahlers & Associates strives to deliver the best possible experience for those wishing to travel and enjoy authentic and individual vacation experiences.

Kurtz-Ahlers & Associates maintains sales offices in New York, Los Angeles, Florida, Seattle and overseas in the UK. The company is based in San Juan Capistrano, California.
