Fabulous Lifestyle Packages

Three Luxury Lodges x Three Stunning Locations x Three All-Inclusive Offers

The trio of New Zealand luxury lodges - Kauri Cliffs, The Farm at Cape Kidnappers, and Matakauri Lodge - have announced three fabulous “lifestyle packages” with some great activities and “value-add” offers within one all-inclusive price.

The packages – *Romantic Hideaway*, *Revitalizing Retreat*, and *Family Heaven* are available at all three lodges in New Zealand’s most coveted locations and are designed to offer unique experiences to suit lodge guests across a range of occasions.

Whether it’s a romantic escape with a loved one, a rejuvenating and replenishing retreat, or some well-earned time away with the family, the new packages are sure to appeal on many fronts and provide “no-fuss” short breaks within one inclusive price.

The “*Romantic Hideaway*” provides the perfect chance to take a break from life’s hectic pace by spending time together. Think beautiful walks on a pretty pink beach at Kauri Cliffs, relaxing in a spacious suite at Matakauri Lodge over a glass of champagne while gazing at the amazing views, or slipping off for a private dinner for two in “the snug” at Cape Kidnappers. Wherever couples choose to enjoy their romantic interlude, enjoying precious time together is what it’s all about.

If re-charging the batteries is the order of the day, the “*revitalising Retreat*” is sure to leave the world-weary urbanite feeling replenished and rejuvenated. While renowned for food, wine, luxury lodging and golf, each of the lodges boasts an enchanting spa that’s unique to its New Zealand location and quite simply, stunning! Designed to enjoy with a best girlfriend, mother or daughter or any special person, this package is about rejuvenation, laughter, indulgence and fun. Life is all about balance, so aside from soothing spa time, wonderful meals and good wines are also part of the mix. Wellness and indulgence are sprinkled in equal doses, with a promise to return guests relaxed and ready to take on the world again!

If holiday and family time together is craved, then the “*Family Heaven*” package is just the answer. Children grow up quickly (and parents grow old!), and family holidays provide those special memories that are cherished forever. Family groups are individually catered for and fun activities are tailored to all ages - from golf to quad biking, to hiking and simply exploring the

natural surrounds of New Zealand. It's all about sharing great times together, as a family. Children are encouraged to explore the great outdoors (away from computers!) as there are so many exciting things to see and do at all three properties. Children love beautiful meals at the lodge with their parents and are sure to come away with memories (and manners!) to last a lifetime.

Commenting on the new lifestyle packages, Managing Director Jay Robertson commented, *“Our trio of lodges are all about lifestyle, so it seemed logical to provide our guests with several great experiences within one all-inclusive offer and available across all of the properties. It is an easy way to experience the properties and to enjoy this stunning country, New Zealand”*, Robertson added.
