**PELICAN HILL GOLF ACADEMY PARTNERS WITH PREMIER GUEST INSTRUCTORS
FOR NEW 2010 SPRING & SUMMER CUSTOM PROGRAMS**

NEWPORT BEACH, CA...April 20, 2010...In the never-ending quest to improve our game, golfers agree that regular instruction is a “must” to help find the right balance of mind, body and control. The Pelican Hill Golf Academy comes to the rescue this spring and summer with an expansive selection of new custom programs with renowned guest instructors. In partnership with Director of Instruction Glenn Deck, one of *Golf Magazine’s* “Top 100 Teachers in America,” guest golf instructors include Eddie Merrins, Dr. Joseph Parent, Dr. Charles Bareilles and Jason Goldsmith, who offer their expertise on the best ways to improve putting, swing, lower scores, neurokinetic movements and the ideal green-reading method.

Offered from May through July, custom classes feature:

Jason Goldsmith, AimPoint Golf Green Reading 101, Sunday, May 9th & Saturday, July 17th

AimPoint will never leave you guessing on how much break to play from within 20 feet of the hole. Scheduled from 9:00 to 11:30 a.m., or from 1:30 to 4:00 pm the class is \$150 per person.

Low Scores School with Dr. Joseph Parent, Author of Zen Golf, May 16th & June 13th

The two most important factors in shooting low scores are the short game and mental game. The unique "Low Scores School" combines these factors with exercises to improve focus and visualization, confidence and composure, techniques for putting, chipping and pitch shots, as well as play from bunkers and rough around the greens. The "Low Scores School" will help students make more birdies, save more pars, and keep the big numbers off your scorecard. The day concludes by playing a few holes with Dr. Parent and Glenn Deck to make sure students are learning how to turn 3 shots into 2 shots. Scheduled from 9 a.m. to 5 p.m., the class is \$750 per person.

Swing the Handle with Eddie Merrins, *Golf Magazine’s* Top 100 Teachers, June 6th

Swing the handle, it’s quick and to the point, and you end up with a simple swing that works. Scheduled from 8:30 a.m. to 5 p.m., the class is \$750 per person.

Dr. Charles Bareilles, Works with various PGA Tour Pros on neurokinetic movements, June 27th

Focus is on the correct sequencing of how your body moves in the golf swing, worked with over 75 PGA Tour pros, from Fred Couples to Vijay Singh. Scheduled from 8:00 a.m. to 5:00 p.m., the class is \$750 per person.
